**United Utilities Group PLC**  
Response to the Draft Determination

United Utilities Water Limited (UUW) has today submitted its response to the Draft Determination for the April 2025 to March 2030 period.

The response to the Draft Determination is an important step in the regulatory framework that aims to enable the delivery of critical investment required to improve river health, strengthen our network and deliver better services for customers, communities and for the environment.

We look forward to continued constructive dialogue as we approach the Final Determination on 19 December 2024.

There will be a presentation providing an update on the regulatory process available on our website at 7am on Wednesday 4 September, followed by a Q&A session with management at 2pm UK / 3pm CET.
